Butch,
To a wonderful
friend, brother, homeroom
and everywhere. I hope
we can continue

Love ya

Butch,

To a real
nice nice kid.
Remember all the
fun we had in
Mr. Shaw's History class,
Remember the jokes
we told. Remember
all the riots on the
bus. Don't even forget
what a little Devil you
were, but don't even
change.

Butch,
To a real nice
boy in 9 C. Even
though I didn't associate
with him much I can tell
you really put a lot
of effort in the future

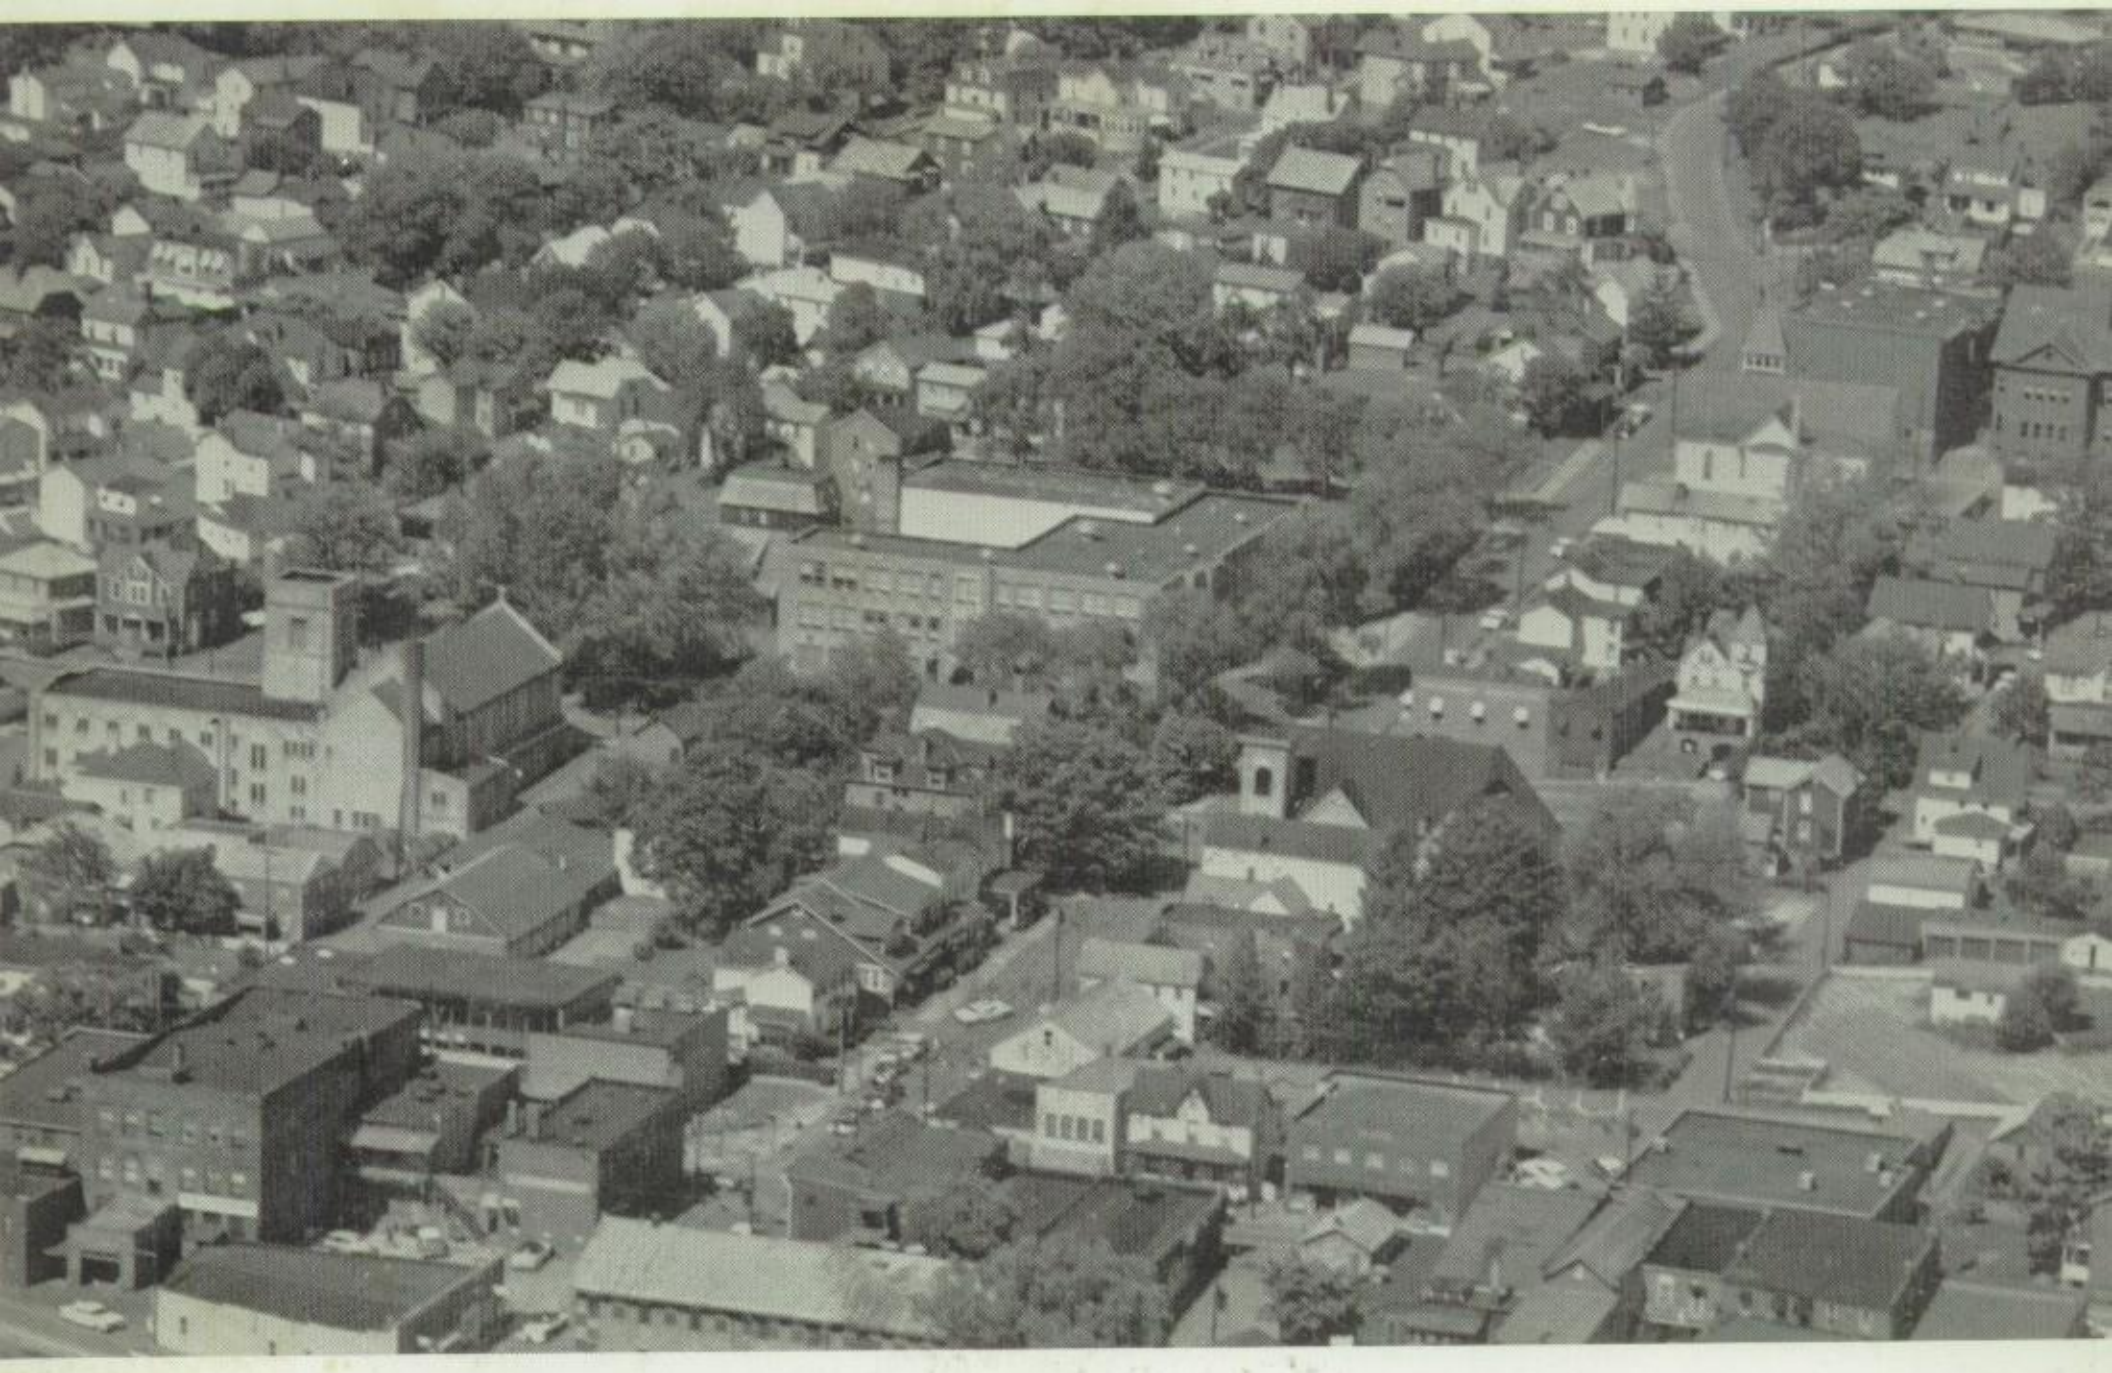
Kiskitas

Apollo Area Joint High School



Dedication

The Senior Class of Apollo High School, hereby dedicates the 1964 Kiskitas to Apollo High School—faculty, custodians, and the student body.

For four wonderful years all our fondest hopes and dreams have sprung from within these hallowed walls. Her halls have rung with our laughter and echoed with our solemn defeat. We entered her gates as meek freshmen but we leave her with an understanding and longing that only the Seniors know. Apollo High has been the key in molding our futures.

This book is but a small token of appreciation for all that our school, teachers, and classmates have meant to us, and for the opportunities afforded us here at A.H.S.

In Memoriam

DEATH OF A MARTYR

Death of a martyr
A great man had died,
A nation sorrowed,
And a widow cried.

The nation's sorrow,
The widow's grief,
Their loss is great,
Their commander in chief.

His, a soul departed
A voice no longer heard
We, who once have heard him,
Shall remember every word.

Death of a martyr,
But not the ideals he sought
A great man has died,
His accomplishments have not.

A shot rang out,
An assassin fled.
Then the shocking news;
The President is dead.

Great men don't die,
Our leader is not gone.
His body is departed,
His image lives on.

Death of a Martyr;
Birth of Loyalty.
Death of a Martyr,
So we the blind can see.

Death of a Martyr
Our heads held high with pride.
Death of a Martyr,
Our President has died.

Board of Education

The School Board is comprised of fifteen members. Each district, Apollo, Kiski Township, and North Apollo, have three representatives. Together they adopt and enforce rules and regulations which are necessary to maintain our school's high standards.

Season after season this behind-the-scenes group has watched us and provided for us. Our teachers and our broad curriculum have nourished our minds. As our needs have grown, the board has always given us more funds.

We are greatly indebted to our School Board for the education and training they have given us.

Custodians

And now we take our hats off in deep gratitude to these, our custodians, who have patiently tolerated us and cleaned up our dirt, paper wads, and scuff marks. It is with sincere appreciation that we thank them for keeping our school an object of pride. Too often we fail to acknowledge their services, but we wish now to assure them that they are admired and loved.

Fall

Class History

As the buds of spring unfolded a new season, Apollo High School welcomed a new Freshman class. At this time we organized as a class under the supervision of Mr. Shremshock. Class officers were Richard Fowler—President, Lorraine Gallo—Vice President, Roberta Morgan—Secretary, and Denny Coulter—Treasurer. We then assumed a role in the life of A.H.S. by selecting "The Green Cathedral" as our song, lavender and white as our colors, white rose as our flower, and "Where there's a will there's a way" as our motto.

Summer not only changed our individual characters, but also our life as a class. As Sophomores we chose Dot Pester—President, Diana Hetrick—Vice President, Bunny Clark—Secretary, and Diana Miller—Treasurer, to guide us through the year's activities. Under the direction of faculty advisors, Mr. Vangrin and Mr. Nichol, we sponsored many money-raising projects including candy sales, bake sales, and two successful dances.

With the approach of fall, we as Juniors began an industrious year of Prom planning. A magazine drive, candy sales, and dances provided the needed funds for "Moonlit Garden," the highlight of the year. Without the aid of Mr. Washington and Mrs. Townsend as advisors and Ed Smoyer—President, Dot Pester—Vice President, Bunny Clark—Secretary, and Denny Coulter—Treasurer, this would not have been possible.

As Old Man Winter dominated the campus of A.H.S., we Seniors took advantage of our remaining days at our Alma Mater. Not only do we leave with fond memories, but also with bright hopes for the future. The Senior Banquet, Baccalaureate, and a glorious Graduation will always be treasured as the climax of a rewarding high school life. We owe the success of this year to Dot Pester—President, Sue Smith—Vice President, Bunny Clark—Secretary, Diana Miller—Treasurer, and our ready, willing and able advisor, Mr. Afanesko.

Student Council

As the visible signs of autumn signal the approach of another school term, one of the first A.H.S. organizations to begin its year's work is the Student Council. Throughout the seasons this able group of students leads us and protects our interests.

This governmental body has one chief objective which is to establish good governmental standards within the school. Stimulating school interest, promoting good fellowship between students and teachers, and assisting students in their quest for added knowledge are also objectives which the Student Council strives to achieve.

Just as the leaves of autumn symbolize this colorful season, so does the Student Council symbolize the ideals of Apollo High. Its members, chosen by the student body which they so expertly represent, strive for school progress and advancement.

Success and fame once again resulted from the efforts of our '63 Tigers. Under the skillful coaching direction of Mr. Vangrin and Mr. Bonello, the Tigers of A.H.S. prepared for their goal—the Class B Championship. Although their defeat by Trafford destroyed all hopes of achieving this goal, the Tigers clawed back and proved their ability in all rivalry games.

Thousands of fans viewed the powerful home team again this season in their quest for victory.

Victory for A.H.S. Tigers

APOLLO 25 SALTSBURG 12

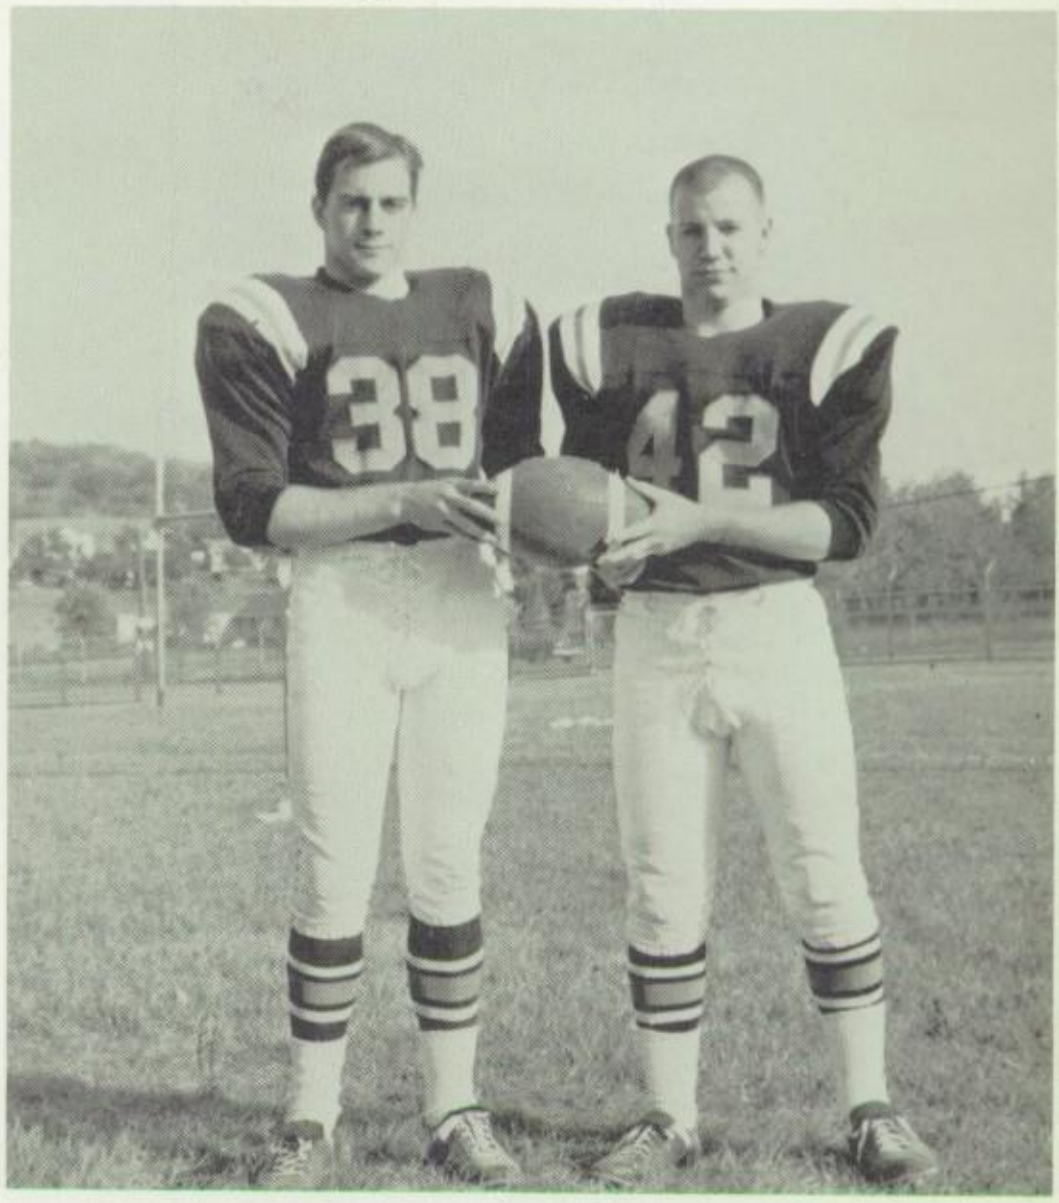
The Apollo Tigers started their 1963 campaign by defeating the Saltsburg Trojans on the opponent's field. The team showed power and form when Jim Stankus, Don Cloud, and David Wenckowski added the tallies for the first Tiger victory.

APOLLO 20 FRANKLIN 12

Although Franklin led 6-0 at halftime, the Tigers came back strong in the second half to beat Class A - Franklin. Jim Stankus scored the first touchdown, driving over from the ten yard line. The fine passing of Gary Rearuc led to two more touchdowns when Bob Buchner crossed the goal line. Franklin added another tally to make the final score 20-12.

APOLLO 12 TRAFFORD 20

Although the Tomahawks knocked the Tigers out of Class B running, they did not hinder the spirit of the team. The Tigers scored in the second period on Gary Rearic's one yard plunge tieing the score 6-6. Again the Tomahawks went ahead only to find Art Williamson getting a touchdown. Trafford scored again in the last few minutes of play.



CO-CAPTAINS: Gary Rearic, Art Williamson

APOLLO 27 EAST DEER 14

The trip to East Deer proved to be the third victory of the season, but a little expensive as Dave Wenckowski suffered a broken arm. Before his injury Dave completed a 63 yard pass from Gary Rearic to score the first Tiger touchdown. Jim Stankus sent the Tigers ahead only to find the Bucks tieing the score. Tiger determination was shown when Don Cloud and Art Williamson added two more touchdowns.

APOLLO 0 LEECHBURG 12

In the game against Leechburg, Apollo did a real good job both offensively and defensively. Although handicapped by injuries, the Tigers proved tough as they kept Leechburg's score to 12.

APOLLO 18 WASHINGTON TWP. 6

Warm October night, tremendous crowd, and a wonderful victory was the scene at the rival game. The Raiders scored only one touchdown. They were no match for the Tigers when Jim Stankus made two touchdowns of 11 and 8 yards. Art Williamson widened the margin by his one yard plunge for the touchdown ending the game 18-6.

APOLLO 24 ELDERS RIDGE 13

Apollo Tigers played host to Elders Ridge only to stun them with a 24-13 victory and to show that Parents' Night was well enjoyed by all. Denny Coulter scored the first touchdown, intercepting an Elders Ridge pass and running 20 yards. Gary Rearic completed a pass to Bob Buchner for the second score. Apollo completed the scoring with touchdowns by Art Williamson and Bob Buchner.

APOLLO 33 SHANNOCK VALLEY 7

Again the Tigers proved to be the tops as they defeated Shannock Valley. Art Williamson scored on a two yard run, also on a 33 yard pass from Junior quarterback Gary Davis. Art added a third score by completion of a sensational 87 yard run. Jim Stankus and Gary Rearic made 6 and 12 yard run touchdowns respectively.

APOLLO 26 SOUTH HUNTINGTON 7

The Apollo Tigers completed another successful season in good style by their victory over South Huntington. Art Williamson scored on a 6 yard run. Gary Rearic marked the second tally with his 6 yard quarterback keep. Art Williamson and Jim Stankus made a touchdown each. Senior day was celebrated as a prelude to this, the final football game for the class of 1964.

Leaders

KNEELING: N. Long.
STANDING: L. Kosicek, S. Walker, S. Reichenbaugh.

The cheerleaders begin their work early. During the months of July and August they could be seen practicing on the school lawn. They worked hard perfecting each cheer, planning pep assemblies, and getting ready for football and basketball games. They earned money to buy new orange and black pom-poms for football and basketball games.

After school started, the cheerleaders put up posters in the halls, ran to practices, sold lineups at football games, and cheered their hardest at the football and basketball games. They served their purpose: keeping up the morale of the team, creating sportsmanship, and acting as hostesses to other schools. Our cheerleaders always try to be smiling and peppy.

We feel the cheerleaders deserve a lot of credit, and we appreciate them for supporting our team.

As leaves turn and drift to the ground, on marches the Apollo Area High School Band. Under the direction of Miss Lois Snyder, our band, led by the majorettes and colorguards, provides colorful pre-game and half-time entertainment during the football season.

Money-making projects to finance their expenses include the Mid-Winter Festival, the Spring Concert, and bake sales.

Each year awards are provided for the band members according to the length of their membership in the band. Second year members receive band keys, third year members are awarded letters, and all seniors receive blazors or jackets.

The Mid-Winter Festival, sponsored by the band and the chorus, was held in February. The theme of the concert was "Route 66." In addition to the choral and instrumental music, a Karote Demonstrator was present.

Members of the band are also selected to participate in higher level bands. This year Apollo's band sent delegates to Honors Band, District Band, County Band, Regional Band, and State Band. So it's hats off to the talented members of our Senior Band and Orchestra!

As the dazzling brilliancy of autumn dominates this time of year, we find our Varsity Majorettes adding color and excitement to the football field. These "high steppers" are a worthy addition to the playing field. Throughout the school year, we find our Majorettes performing in pep assemblies and participating in local parades. Much of their summer vacation is dedicated to hard work and many hours of perfecting their skills.

We must not forget the Junior Varsity Majorettes who also work hard and long in practice sessions. This group of marchers is given the opportunity to perform at one football game a season and in the Memorial Day Parade. We wish them much success in their future ambition to become Varsity Majorettes.

Color Guards

Serving a most important function are the able leaders of our band, the Colorguards. It is their duty to bear and protect the flag of our school, as well as the flag of our nation.

Unlike many of the other students, the members of the Tiger Gazette are glad to see the arrival of the snow and cold weather, for they know that with it comes their annual Christmas Party for the underprivileged children of the area.

The Student Body is kept well informed of all the happenings in and around school by this monthly newspaper published by this organization, which is under the direction of Mrs. Boyd.

Here all the students take advantage of their opportunities to spy and tattle on each other. No well-informed gossiper would ever dream of missing an issue.

Oh, thank you, Santa!

What have we here?

Look what Santa has for you!

Thespians

Be it snow, blizzard, or sub-zero temperatures, one can always count on the Thespians to present enjoyable performances and at the same time to promote an interest in dramatics by displaying the abilities that they themselves possess.

One of the main activities of this selective dramatic group is the initiation of Neapollotans who have earned the ten points necessary for membership into the Thespians. Proud are they of their motto:

"Act well your part, there all the honor lies."

Neapollotans

The Neapollotans consist of talented young actors and actresses aspiring to see their names in lights. No doubt many of them will see their dream materialize.

A successful dance, a potato chip sale, and bake sales have added funds to their treasury. Had it not been for the assistance of the Neapollotans, "No Time For Sergeants" would not have been the great success that it was.

Old Man Winter can do his best, but he can't seem to freeze the spirits of these beginners. Although covered with ice and snow, Apollo High will always shine brightly and warmly with the Neapollotans at work.

G.A.A.

While painting his frosty pictures on the high school windows, Jack Frost no doubt takes advantage of his opportunity and watches a gym full of girls, members of the Girls' Athletic Association, in their attempts to master the arts of playing soccer, basketball, volleyball, and softball.

Soon it's time to brush up on their tumbling, tap dancing, marching, modern dancing, and free hand drills in preparation for the gym exhibition. All of this, they accomplish under the supervision of Miss Johnson.

Points are earned by selling candy at home basketball games, and by participating in the gym exhibition and various sports. These points merit them awards in the form of blouses, A's, sweatshirts, and pins for the highest number earned.

G.S.C.

Winter provides a time for activity indoors as well as out. One of the organizations which takes advantage of this is the Girls' Sports Association. Comprised of interested Freshman and Sophomore girls, the club meets every Thursday night in the high school gym. Under the sponsorship of Miss Johnson, the members find enjoyment while developing sportsmanship and leadership qualities.

The first part of the year is spent in playing volleyball. The girls participate in pick-up teams, class teams, and co-recreational teams. The highlight is a "Volleyball Night" in which teams from our school as well as various other schools participate.

After volleyball many long hours are spent practicing for the annual gym exhibition, which consists of tumbling, dancing, and marching drills. The rest of the year is spent playing basketball.

A Point System is used for earning awards. A certain number of points are given for being an officer or a captain, for participating in games, and winning games played. Awards ranging from blouses to pins are given according to the number of points earned. Points are carried over from year to year.

FOURTH ROW (L. to R.): J. Wilson, S. Roselle, M. Jordan, S. Klingensmith, L. Bence, P. Devers, J. Walton, P. Gallagher, L. Davis, J. Gregg, N. Long, T. McCauley, G. Risher, P. Posney, P. Miller, B. Chorus

The chorus of Apollo High School is composed of approximately sixty-five members. The group meets twice a week, and many practices are held after school.

Several programs are sponsored by the Chorus during the year: a Christmas Assembly, a Mid-Winter Festival, and, this year, a Musical. Selections for the concerts range from spirituals to popular tunes.

The first semester the Chorus was under the temporary direction of Miss Snyder, who is also band director. At mid-semester Mr. Sutila came as director for the remainder of the year.

The money which is made from the programs and other outside projects, such as bake sales, is used for the purchase of awards. Each senior member who has been active for three years receives an award, which may either be a sweater or a blazer. This year approximately twenty-seven seniors received awards. Members of the chorus are also selected each year to represent Apollo at both County Chorus and District Chorus.

SEATED: J. Wilson. (L. to R.): P. Devers, N. Long, S. Roselle, J. Stahl, L. Harkcom K. Kennedy.

Sextette

The girls who have given up much of their free time to become members of the sextette deserve recognition for their hard work and achievements. Tryouts are held in the fall. The girls are usually chorus members also, although anyone with singing ability can belong.

The music sung by the girls ranges from spiritual and religious selections to popular tunes. They provide entertainment for activities held not only in the school but also in the community.

The sextette was handicapped this year because no regular director was available to coach them. However, Miss Snyder helped the girls until the new director, Mr. Sutila, joined the A.H.S. faculty. The sextette presented numbers for the Christmas Assembly and Mid-Winter Festival. The past few years, with the help of willing mothers, the girls have also made their own outfits.

Anxiously the students of A. H. S. await the arrival of spring. For it is then that they can once more forget about mittens, galoshes, and ear muffs and bid farewell to Old Man Winter—until next year, of course.

The signs of spring, however, unfold a new challenge and distinguished honor to certain members of our student body. As expectation mounts, the faculty is faced with the duty of selecting qualified students to membership in the National Honor Society. Students are judged on the following characteristics in order to qualify: service, leadership, character, and scholarship. Another essential is that each candidate secure and maintain a "B" or even higher scholastic rating.

Competition is keen since only fifteen per cent of the Senior Class and ten per cent of the Junior Class can be selected. The chosen members, under the expert leadership of Mr. Fuszek, strive to create enthusiasm for scholarship, to promote worthy leadership, to mold a fine character, and to stimulate the desire to render service.

The Apollo track team showed exceptional spirit and cooperation as they entered their initial year. Although the cindermen only placed once, they made continual improvement throughout the season, under the expert coaching of Mr. Joseph Fuszek. Among their many events were the 100, 220, 440, and 880 yard dashes, the mile relay, the shot put, the discus, the javelin, the high jump, and the broad jump.

The team should be commended for their strong determination in accepting the challenge of a new team sport. May the years ahead bring added success to all future A.H.S. track teams.

The Varsity Club is made up of Apollo High's brave and stalwart athletes. Both basketball and football lettermen are eligible for membership.

Under the direction of their advisor, Mr. Vangrin, these boys sponsor many money raising activities such as program selling at games, the Donkey Basketball game, selling key rings, and, this year, a special game featuring the Harlem All-Stars and former Apollo players. These projects also promote the feelings of championship and admiration toward each other.

Closely linked to the Varsity Club is the Mothers' Club. These mothers work tirelessly to provide the athletes with needed funds. Together with the North Apollo Junior Women's Club, contributions by Apollo citizens, and funds left by previous classes, these ladies presented Owens Field with the long coveted scoreboard.

In the spring the club's annual initiation is held to admit to the club those individuals who have earned a letter in at least one sport. This event is anxiously awaited by all, for it is truly hilarious to watch the inductees perform the many embarrassing stunts.

Tri-Hi-Y

Under the direction of their advisor, Mrs. Virginia Smith, these Tri-Hi-Y girls seek to enrich the lives of others. This is an organization which promotes good will and devotes much of its time to helping others.

At Thanksgiving two needy families were provided with turkey and all the trimmings to complete their Thanksgiving Day feasts. The Yuletide season showed these industrious girls playing Santa Claus by presenting gifts and an assortment of foods to two other families. The Easter Bunny again existed in the area as the Tri-Hi-Y presented Easter Baskets and complete suits of clothing to some Apollo children.

The missions of these unselfish girls shows the organization's main purpose—"To create, maintain, and extend throughout the home, school, and community high standards of Christian character." We salute the Tri-Hi-Y for all the joy and happiness they spread throughout our town.

Future Teachers of America

As spring descends upon the A.H.S. campus, the "Isabelle Henry Future Teachers of America Club" welcomes it with eagerness. This organization, under the supervision of Mrs. Lukehart, consists of students interested in making teaching their life profession. These prospective teachers, all immuned to spring fever, work diligently throughout the month of April to make "Teaching Career Month" a great success. The A.H.S. student body also awaits the arrival of this project, for it is then that F.T.A. members are given the opportunity to teach in the classroom. Teaching thus becomes a field of reality to the students.

Other F.T.A. projects included American Education Week, cadet teaching in the elementary school, and a special tutoring service. The year's programming theme was "Exploring New Fields of Teaching." Many interesting programs were presented to the group throughout the year.

The organization should be congratulated for their progress and success throughout the five years of existence in A.H.S. May these dedicated members continue to prosper in their desire to become future teachers.

Library Club

With the coming of Spring, teachers' thoughts turn to research papers and the A. H. S. Library becomes the haunt of many industrious students. The Apollibrarians are indeed an asset as they keep books and research materials in constant reach of the students.

Working in conjunction with Mrs. Hill, these girls undertake the responsibilities of assistant librarians. They are required to spend at least two periods per week working in the library to keep the material in order.

Among the duties the Apollibrarians assume are those of desk circulation, filing book jackets, and shelving books.

We thank these girls for adding cheer and a pleasant atmosphere to our library.

Future Homemakers of America

The main purpose of the F. H. A. is to become better homemakers and more pleasing individuals. Under the direction of Miss Kinney, these future homemakers have the chance to work for a good home and family life; to encourage democracy in home and community, to develop leadership; and to further interest in home economics.

In the spring of the year the group is influential in helping to organize the annual Home Economics exhibit and fashion show. The senior Future Homemakers of America will graduate with a feeling of gratitude toward this organization for the help and guidance it has given them.

Chef's Club

A relatively new club in our school is chasing our girls from the Home Economics room. Under the direction of their sponsor Miss Kinney (Mrs. Bonello), the Chef's Club is learning the art of cooking.

At times the concoctions of our future chefs would frighten Duncan Hines to death, but, nevertheless, these boys are learning through experience. As long as non-club members are not required to sample their cooking, we shall encourage their experimentation.

In the Spring some boys' fancies may turn to thoughts of love, but uppermost in these boys' minds will be their culinary skills. Regardless of the season, tantalizing aromas emerge from the Home Economics room to tease the noses and tempt the appetites of all A.H.S. students.

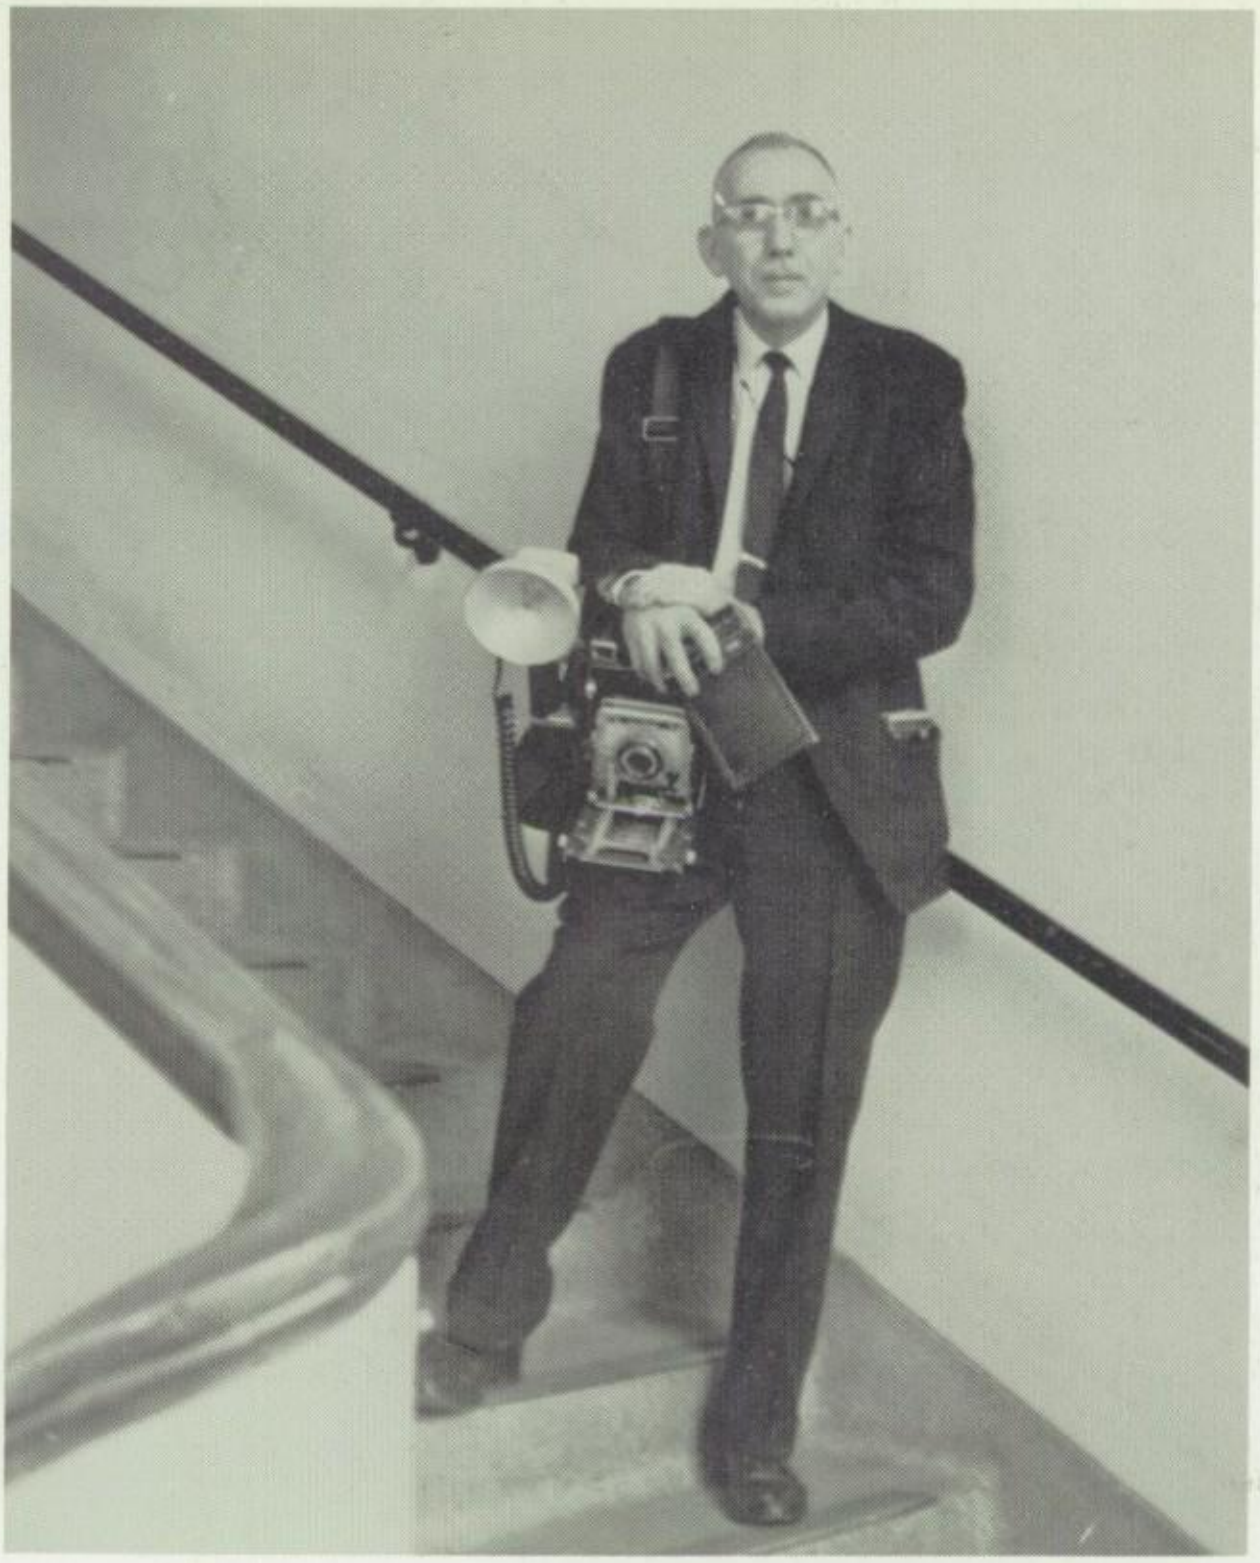
Radio Club

Under the direction of their sponsor, Mr. Clark, the Radio Club meets every week in the Physics and Chemistry room. There are neither dull moments nor crossed wires as President Bob Shafer leads the club in its discussion of radios.

These radio-minded boys undertake many projects based on their love for electronics. At the moment their ultimate goal is to set up a complete radio station here in the high school building. This station will be equipped solely by the club's money making projects.

"Ham radios" are hobbies for these boys, and several of them own and operate their own sets. After receiving their call numbers, these "ham operators" spend hours in interesting conversation with people all over the world. These ambitious fellows are to be commended for their progress in the field of radios.



With Deep Appreciation

There is possibly no one to whom the Kiskitas Staff is more indebted than to Mr. Thomas Shaffer. Try to imagine a Kiskitas with no club and individual pictures. Try to imagine no pictorial records of our sports and extracurricular activities. Now we need no imagination to recognize the importance of the Kiskitas photographer.

This man of tireless energies is always on hand when the Photography Editor calls. With the seasonal theme of this year's book he worked throughout the year taking pictures of our clubs and our activities.

The 1964 Kiskitas Staff and advisors wish to salute and thank Mr. Shaffer. Without his help, his patience, and his camera there could have been no Kiskitas.

Junior High Student Council

THIRD ROW (L. to R.): J. Shaeffer, D. Vittone B. Morrow. SECOND ROW: B. Chiatello, K. Kerr, L. McCauley, B. Beamer, M. Davis, J. Ferrero, M Swank, L. Failola. FIRST ROW: J. Walker, C. Cravener, C. Farineau, C. Albert, R. Matarrese.

The Junior High Student Council attempts to solve any problems that affect their students. Members are elected by each home room in order that the entire student body be represented. The Christmas and Spring Junior High parties are always huge successes due to the planning done by the Council.

Junior Hi-Y

FOURTH ROW (L. to R.): C. Crissman (Treas.), T. Dunmire, L. Shellhammer, R. Keifer, R. Swenson, D. Vaugn. THIRD ROW: D. Vittone, R. King M. Fetterman, L. Valco, R. Egly, M. Fryer, M. Zitterburg, B. Robinson, R. Scott. SECOND ROW: E. Walker, D. Martin, D. Boarts, J. Shaeffer (Pres. T. Faber (Sec.), J. Claypoole (V. Pres.), R. Brindger, R. Shoemaker. FIRST ROW: Mr. Martin, J. Talmadge, H. Miller, D. Columbus, D. Silvis, Black, J. Tressler.

The Junior Hi-Y is a group of energetic young men interested in creating good fellowship and maintainin the high standards of our school. The climax of their year was participation in the annual Sports Spectacula at Butler High Scool. These boys are commended for the fine Christian character they are building.

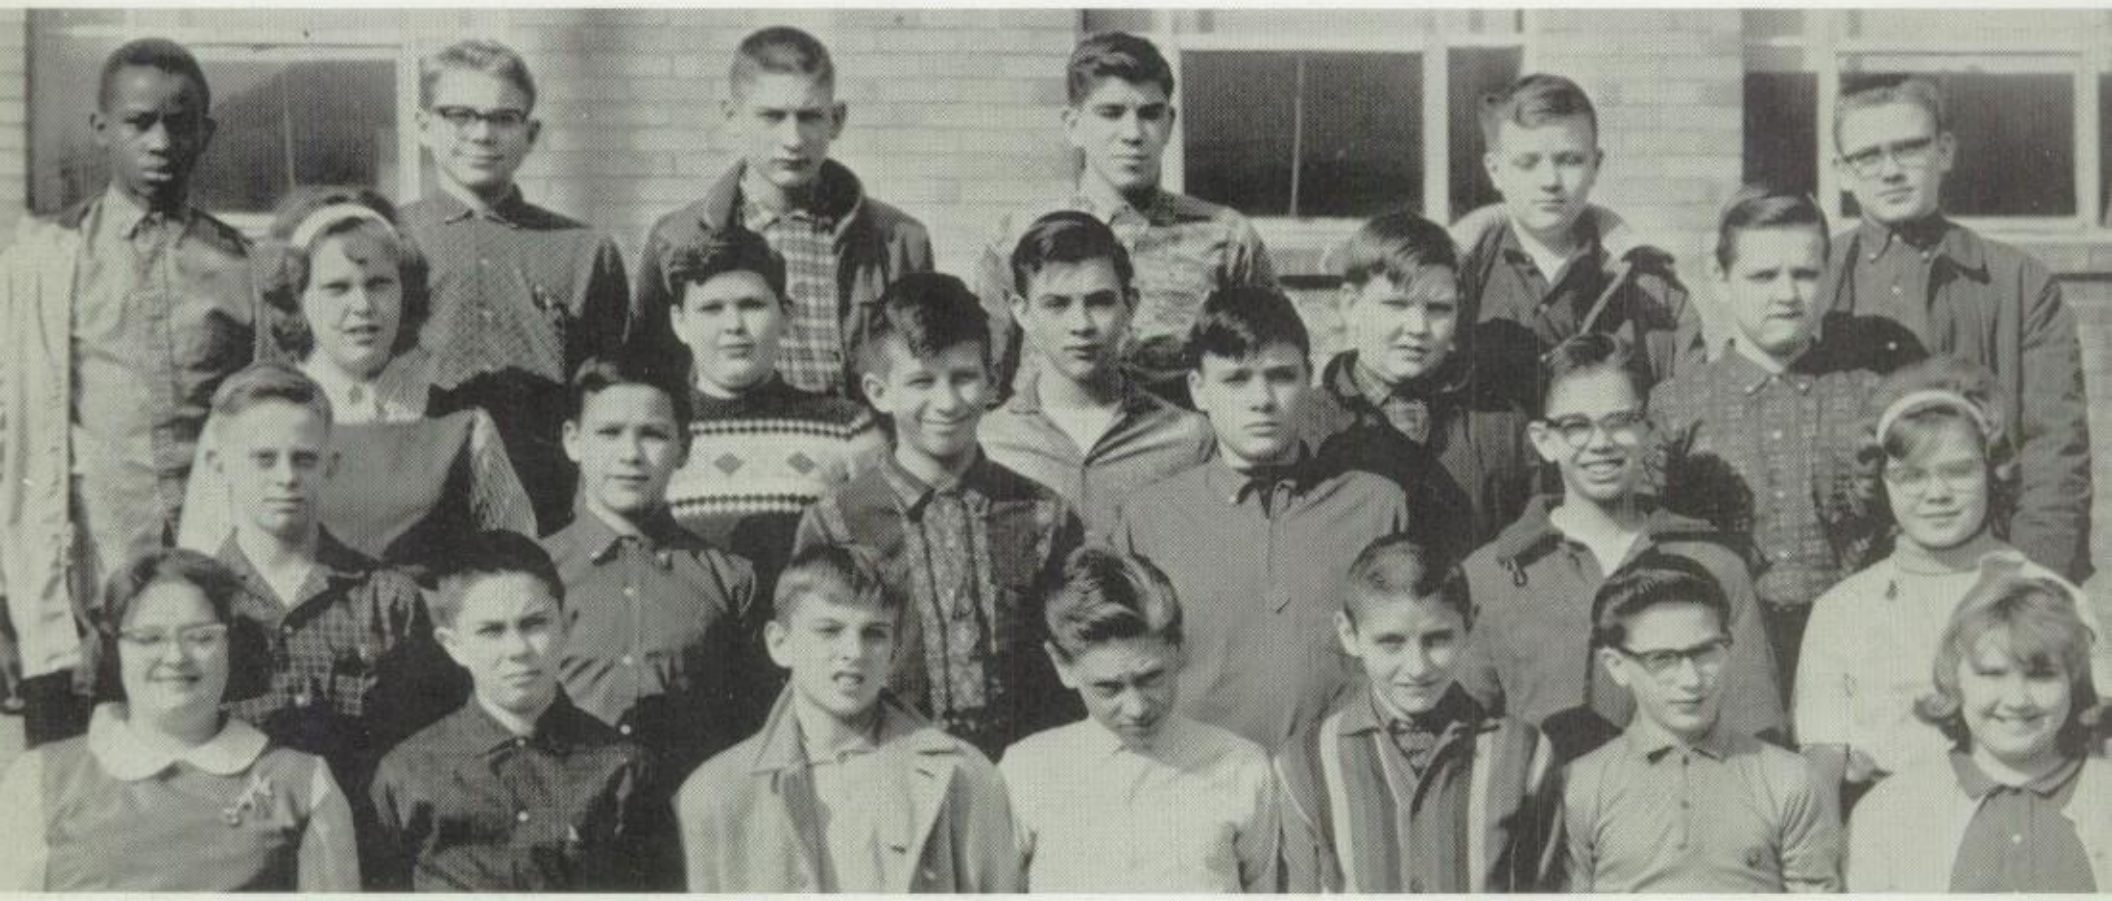
Safety Patrol

THIRD ROW (L. to R.): C. Bash, M. Fryer, K. Stahl, D. Davis, K. Blair, A. Kunkle, R. Egley, B. Robinson. SECOND ROW: D. Metzler, K. Shank, B. Black, D. Eckman, K. Bracken, T. Bartel, D. Dunmire. THIRD ROW: M. Radebaugh, T. King, J. Hickson, B. Baum, W. Blystone, K. Hanneman, D. Day, R. King.

No matter what the weather is the members of the Safety Patrol may be found every morning and afternoon acting as the junior police of our school. The Safety Patrol is formed for the protection of our elementary students.

Consisting chiefly of seventh and eighth graders, this group is under the direction of Mr. Fulton who sees that every member is at his appointed position. To insure proper functioning of the organization, new officers are elected each year.

Junior High Science Club



FOURTH ROW (L. to R.): B. Robinson, B. Andrews, A. Kunkle, J. Visely, B. Morrow, J. Waltenbaugh. THIRD ROW: K. Shellhammer, B. Shoemaker, L. Schrecongost, K. Shank, J. Tressler. SECOND ROW: H. Within our Junior High, perhaps, are the future scientists of tomorrow. Their purpose, in general, is to promote a better knowledge and deeper understanding of science and the great part which science plays in our everyday lives.

Under the leadership of Mr. Kier, the faculty advisor, the students have decided to build rockets. The students design, build, and launch their own rockets. Still others are more concerned with weather and are building weather instruments.

Seventh Grade Tri-Hi-Y

FOURTH ROW (L. to R.): S. Shaner (Chap.), J. Bier, K. Shellhammer, V. Smith, J. Bash, J. Pennington, A. Calvin, R. Reigh, R. Kosicek, A. Scott, D. Bolvin. THIRD ROW: S. Crow, P. Ballinger, C. Hendburg (Treas.). FIRST ROW: M. Boarts, L. Failola, P. Carey, B. Barto, J. Woods (Sec.), E. Sloan, N. Fouse, M. Speer, C. Shockey, B. Wilson, Mrs. Black.

The Seventh and Eighth Grade Tri-Hi-Y is an organization which promotes good will throughout our school and community. These willing workers devote much of their time and effort to helping others. During the Easter, Thanksgiving, and Christmas seasons, the joy and generosity spread by this organization are evident in various area homes.

Eighth Grade Tri-Hi-Y

INTH ROW (L. to R.): C. Neal, M. Rearick, S. Kunkle, P. Shank, D. Aikens, R. Brayshaw, C. Rosensteel, K. Rearick, A. Guthrie, C. Camp, J. wenson. EIGHTH ROW: B. Rupert, M. Swank, M. Robinson, J. SECOND ROW: Mrs. Black, S. Heffernan, F. Fabian. FIRST ROW: V. Lovisa (Pres.).

The Junior High Book Club is composed of seventh and eighth graders with a mutual interest in reading. Under the direction of Mr. Alter, these students have the opportunity to buy paper back books.

An assortment of books, including mysteries, science-fiction, sports stories, and many others, arrive monthly for distribution. Ahead lie many hours of reading pleasure as the students claim their books.

Book worms! Who can blame them for wanting to bury their noses in these interesting paper backs? The "food for thought" on these printed pages is eagerly devoured by these ardent readers.

FOURTH ROW (L. to R.): R. Smith, K. Stahl, R. Brindger, C. Rosensteel, V. Lovisa, C. Camp, C. Rearick, R. Brayshaw, M. Fryer, D. Wray. THIR ROW: P. Fulton, J. Bier, B. Grable, M. Swank, B. Black, D. Junior High Book Club

The Prep Band is an organization of young musicians whose goal is eventual membership in the Senior Band. An apprenticeship of two years must be served by these people who are students from the seventh and eighth grades.

Marching experience for this group is received by accompanying the Senior Band in the community parades and the last home football game. They also take part in the Spring Music Festival. All of this provides fine experience for these trainees.

STANDING (L. to R.): M. Lees, J. Bowser, L. Smith, W. Hunter, W. Cricks, R. Bopp, T. Morrow, G. Smoyer. FOURTH ROW: B. Kerr, B. Klingen-mith, P. Carey, K. Smith, K. Kinter, R. Lees, C. Cravener, L. Kiskitas

Much of the success of the Kiskitas Staff can be attributed to the leadership of Bunny Clark and to th hard work of the Senior and Junior Kiskitas Staffs. Most of the responsibilities fall upon the Senior Kiskita Staff. The Junior Staff is more of a training group which prepares them for the Senior Staff. Although a of the staffs work together they each have their own responsibilities. The Literary Staff writes the class wil class prophecy, and the club articles. The Sports Staff keeps records of the football and basketball games The Business Staff receives ads for the yearbook and helps raise money through various projects. The Typin Staff, as its name implies, types the copy. Possibly the most diligent staff is the Photography Staff. Through out the year members of this staff work in cooperation with Mr. Shaffer, the Kiskitas photographer.

Each year students and parents are well fed at home football games because the Kiskitas members work a the lunch stand. Another annual event under Kiskitas' sponsorship is the Christmas Dance. This year it was th "Snowball." In connection with the Senior Class the Kiskitas sponsors several other fund-raising projects through out the year. Mrs. Odessa Smith and Miss Arnal are responsible for much of the success of these projects, an the Kiskitas Staff would like to thank them for all of their help and patience. Special thanks are due Mr. Afan esko for helping at the snack-bar during the home football games.

After the hard work and often exasperating task of preparing the Kiskitas for publication, the Staff look forward to seeing the finished product. When the book finally arrives and is distributed, the entire staf breathes a sigh of relief.
